

EGL Textile, the Realm of Cotton

Who we are?

We, as a company, hold onto our passion and pride for being one of the best textile companies, operating in the land of cotton since 2006, in Inner-Aegean region of Turkey, in Denizli. Regarding fast delivery interval and services, quality of fabric, master craftsmanship, our customer service policy and with our infinite stock supply; we are proud to say that **"We can succeed whereas everyone fails!"**

In which applications do our products glitter and glamour?

We have sworn to provide luxury hotels and restaurants what they need to impress their customers and visitors. We use the best quality of cotton to craft durable towels, bathrobes, mats, napkins, runners, and all kinds of beddings. If you are one of those "elitists" who want to carve their names into the minds of their clientele, then let us impress you!

*Pages onwards, we will present you some of our products in which you can actually inspect their **"boring"** technical features and details.*

Towel Group

Soft-Touch series

-100% Cotton

-480 to 530 gr/m² (pool towel, beach towel)

-Colors Available: White or/and any others.

**Colors mentioned in the details, being the standard production values that can be changed between indanthren and/or reactive colors of your choice.*

Silky-Way series

-100% Cotton

-460gr/m² (bath towel and bath sheet) –
750gr/m² (bath mat)

-Available Colors: White or/and any others.

Silky-Way, being one of the plain and simple designs, is definitely the one if you prefer the quality over quantity and looks. Present your brand to the customers with soft, caring and elegant attitude straight from the heart. Since there is no better feeling than being caressed by your host, we assure you they will remember that!

We, as EGL, not only let you modify the features like color, size, design; but also offer you every creative way that you can think of, in order to personalize our products just for you and your beloved customers.

****Thank you** for your understanding of our necessary preparation time of at least **14-16** days in order to get your order ready for shipment, flawlessly.*

Rays of Dawn series

-100% Cotton

-530gr/m² (hand towel,
bath sheet)

-Available Colors: White
or/and any others.

In a World where everyone started to abandon the vanity, go back to the origins of the existence with more simple, rustic, modest and primal designs; but still prefer the beauty in it, what would be the better option than stripes? These are specifically designed for people to embrace the wild and kind alltogether.

Soil series

-100% Cotton

-460gr/m² (bath towel,
bath sheet, washcloth) -
750gr/m² (bath mat) -
420gr/m² (bath robe)

-Available Colors: White,
Earth

It is almost impossible to satisfy everyone considering the variety of different mindsets, but we offer you -starting from the pool area to your restaurant, from your rooms to your spa center – the best quality of cotton with wide range of fabrics of your choice.

With the efforts and hard labour of our local farmers in Turkey, one of the best quality of cotton in the World is harvested each year.
